

Defaults Will Two Are Hurt 10% Blanket City Pay Slash Near \$150,000 In R. C. Crash Is Proposed to Councilmen Figure, Report Motorist Is Arrested \$22,000 'Token' Item After Collision on Is Held Necessary Bayshore By Mansfield

LEVY OF TAX OF 20 to 30 cents on the \$100 to meet delinquencies under the 1915 bond act was seen as necessary by City Attorney Albert Mansfield in a report to the city council Monday night and was debated by that body.

The question was put over for consideration after July 2 when the total delinquencies under the 1915 bond act will be known.

It has been roughly estimated that the figures will exceed \$100,000 and may reach \$150,000.

The 20-cent tax would raise about \$22,000.

City Attorney Mansfield said the total tax for this purpose alone which could be levied to meet the defaults in all 39 separate improvement districts would be \$3.90 per \$100.

This would be based upon the ruling of the supreme court in the Lakeport case that a city is liable to the extent of 10 cents per year per issue if property owners default on payments of their street improvements.

Suggests 'Token' Payment

Mansfield believed the council should begin by making a "token" payment to the bondholders to satisfy them so that they would not press the city for the full obligation.

Mayor Charles Lambert believed that negotiations should be entered into with the bondholders, who might be willing to take 50 cents on the \$1.

If this could be worked out, Mayor Lambert believed the public could be shown that the floating of a bond issue for \$75,000 to take care of the \$150,000 delinquencies might be the profitable thing to do.

In answer to Councilman James Evans' question as to what the city would get out of the transaction, it was explained that the city would secure title to the property and would eventually sell it and be reimbursed for the payments advanced.

Motorist Is Arrested After Collision on Bayshore

Following a Bayshore highway collision here in which two persons were injured, Norman F. Kreiss, 30, carpenter of 718 Arguello street, was cited on Tuesday on a charge of reckless driving. He was released on \$100 bail set by Justice Edward I. McAuliffe.

Angelo Pappas, 28, of 1321 Middlefield road, who was riding with Kreiss, and Mrs. E. F. Houghbery, 42, of the Mission Auto Camp, Daly City, who was in the automobile of Louis Schenckgrat of 64 Harold street, San Francisco, were slightly hurt. They were given emergency treatment at the Mason Emergency Hospital here.

Burlingame has six cases; San Mateo, 2, and Half Moon Bay, 1. Redwood City has nine cases of measles, Dr. Morrison reports, and other communities having cases of measles are: South San Francisco, 8; Half Moon Bay, 4; Burlingame, 2; East Palo Alto, 1, and Redwood City rural, 4.

In connection with the threat of the spread of the infantile paralysis disease, Dr. Morrison has answered a series of questions, which appear in the county health column in the inside pages.

Dogs to Be Ordered Out of Menlo Park

Upon the recommendation of the San Mateo County Planning Commission that the permit asked by William Germain of Menlo Park for keeping more than the allowed number of dogs be denied, the supervisors today instructed District Attorney Edmund Scott to order Germain to dispose of the animals.

David Cosgrave Enters Contest R. C. Attorney Seeks District Attorney Post of County

David Cosgrave, Redwood City attorney, today announced his candidacy for the office of district attorney of San Mateo county.

James F. O'Malley of Burlingame filed for the same office today, while Olin F. Nickolls of Burlingame was reported considering the same office. Several other candidates are in the field.

Mr. Cosgrave has been a resident and tax payer in San Mateo county for the past 18 years. He is admitted to practice law in all the courts of the state, all federal courts and the United States Supreme Court. He has been engaged in a general practice of law for the past 27 years moving his office from San Francisco to Redwood City nine years ago.

In his campaign statement, Mr. Cosgrave reports that he is quite familiar with criminal procedure and in his earlier experiences filled the office of police judge for a period of six years.

Pledge to devote his entire time to the work of the office and the interests of the taxpayers is made by the candidate.

Attorney Cosgrave also asserted his intention, if elected, to invoke the aid of all district attorneys of the state to bring about reforms in the present parole system, particularly with reference to the releasing of first degree and second term criminals.

Golden State's Hour to Feature Chef of Palace

The secret is out. The successful chef must be not only a super-cook but a reliable forecaster. Chef Phillip Roemer, of the Palace Hotel, Monday at 10 o'clock, on the Menu Flash Program over KFO, can always tell down to the last lamb chop just how much food will be consumed at any luncheon club meeting or banquet.

"I always get the program for every luncheon meeting or banquet ahead of time," said Roemer. "If there is a good speaker, I prepare more than I was told. If the speaker is somebody nobody heard of before, I prepare half the amount. One luncheon club is a little different. The only thing that will bring out the members is a good, fast show. When an entertainment like that is planned, I prepare a lot of food, and get it ready before twelve. All the men will come early to get a good seat."

Fees for Camping In County Park Are Opposed

Protest to charging for camping privileges in San Mateo County Memorial Park was voiced today by Supervisor Albert Witt, Colma, an ordinance regulating the matter was proposed before the board by the San Mateo County Recreation Committee.

Fifty cents for the first night, 25 cents per night thereafter and \$2 per week after the first week, were proposed as fees.

Upon motion of the board, the matter was continued one week to give the recreation committee an opportunity to be heard.

Sinclair to Open Peninsula Vote Campaign

The first shot in Upton Sinclair's campaign for governor in San Mateo county will be fired at an Upton Sinclair rally tonight at 8 o'clock in the San Mateo Junior College auditorium. Sinclair is running on the democratic ticket.

Alexander MacKay, executive secretary of the End Poverty League in California, for the San Mateo district, will be the principal speaker and will explain the EPIC program.

Walter Barusch, San Francisco newspaper man and resident of Redwood City, who is supporting Sinclair for governor, will discuss general economic conditions in California. Barusch is being importuned to announce his candidacy for assemblyman from the 28th assembly district which comprises all of San Mateo county. He is registered as a Democrat.

Sinclair's campaign for governor would immediately relieve economic distress now being suffered by the unemployed and those on relief.

The Rev. W. J. Owen will come from Watsonville to take over the pastorate of the Methodist Episcopal Church here within the next week.

Announcement of his appointment to the Redwood City post was made today upon the conclusion of the annual California conference of the church at Stockton.

The Rev. Mr. Owen will succeed the Rev. A. M. Cottingham in the local church. The latter, who has been in Redwood City for two years, has been transferred to Oakland, he said today.

Other peninsular appointments by the church are as follows: Burlingame, H. E. Milnes; Half Moon Bay, J. C. Kelsey; San Bruno, H. D. Harkins.

Coast Road Auto Plunge Fatal to Motorist

HALF MOON BAY, June 18.—His automobile plunging over a 200-foot cliff on a sharp turn on the coast road near Pedro mountain, John Holmquist, 44, cabinet maker of 320 Hillside boulevard, Daly City, was almost instantly killed early Sunday morning.

His wife, Mrs. Theresa Holmquist, 40, incurred a shoulder fracture, and their daughter, Margaret, 12, suffered spinal injuries. Both mother and daughter were thrown clear of the car as it shot off the road. They were treated at the Community Hospital at Beresford.

Constable S. A. Landini, who was called to the accident scene, found the Holmquist's pet Pekingese dog standing on the front seat of the wrecked sedan, unhurt. He was barking vigorously.

Paper Collection Delayed

Because of the danger of spreading the infantile paralysis cases now in the county, the Red Cross and Boy Scout committees today decided to postpone the collection of old papers and rags pending the break in the threatened epidemic.

Persons who have old papers to be collected may call Redwood 875-J and leave their names for future collections, meanwhile storing the articles. Mrs. Z. T. Thornburg of the Red Cross suggests.

Tax Penalty Reduction Urged To Bring Relief on Defaults

Lessening of the tax penalties for Redwood City taxpayers was proposed to the city council Monday night by City Councilman Paul McCarthy as a means of giving relief to persons who have stood in default over several years.

The present penalties are 10 per cent for the first installment if not paid by December 5; 5 per cent if unpaid by April 20, and 5 per cent on the second installment, if unpaid.

In succeeding years 20, 30, 40 and 50 per cent penalties are added.

McCarthy suggested for consideration penalties of 8, 3 and 3 per cent.

City Attorney Albert Mansfield advised that the delinquency for the first year should be kept sufficiently high over interest charges for borrowing funds from the banks so that defaults will not be encouraged.

City Collector Nelle Miramontes suggested that the present schedule be maintained, but that a penalty of 1 per cent per month be levied, or 12 per cent per year.

Dave Walter, realty broker, suggested penalties on a schedule similar to the county's.

Upon motion of Councilman McCarthy, seconded by Councilman Evans Fletcher, the board referred the matter to City Manager E. A. Rolison and City Collector Miramontes for a report.

COUNTY BOARD APPROVES BAYSHORE SAFETY SIGNS

Erection of "caution" signs on main intersections of the Bayshore highway through the East Palo Alto section was ordered Monday by the board of supervisors because of the several fatal automobile crashes in that neighborhood.

The signs will be erected on Bay road, Menlo Park avenue, University avenue and Clark avenue, as requested by the East Palo Alto Chamber of Commerce.

Also sought for greater safety of the highway is the addition of four officers to the San Mateo County Traffic Patrol. Two of these officers, Capt. Paul Perusina reports, would be regularly assigned from the district south of Redwood City.

The East Palo Alto chamber also asked the erection of street signs in that section so that motorists passing there will know they are in a built-up section.

Supervisor John Poole, of this district, agreed that the traffic situation was "very serious" and put the motion which provided an unnamed sum for the signs.

Black Widow Spider Exhibit Draws Many

An unusual interest is being displayed in a "black widow" spider exhibit at the Musso Drug Company here. The spiders were caught in Palo Alto by H. Riley, a naturalist.

A female, the largest of the group; a medium-sized male and two young spiders are shown, as well as two younger spiders, one of which has been killed by the other.

Also shown is several cocoons full of eggs.

Daly City Election Contest Nearing End

Daly City's municipal election contest this afternoon was apparently nearing a close before Superior Judge McNeill McNutt after several intermittent court sessions.

Leo Friedman, attorney for the defeated "new deal" candidates, petitioned said that he had only two more witnesses to call.

This morning one vote was challenged as illegal and was thrown out by the court.

The changes about the grounds have been completed and the place is probably now the most beautiful of San Mateo county's many beautiful homes.

Fat Folks Lose Weight—Feel Fine

Lose Fat This Summer—Keep Cool—Look and Feel Younger

Mrs. Jessie Martin of San Francisco is happy because she has discovered the right, safe way to reduce—read her letter: "I have taken Kruschen Salts a month and find great benefit. I have lost 14 lbs. in that time and would lose more if I stuck to a diet as I should. I take them every morning regular and hope others will profit by them as I have."

We have letters from men and women who have lost as much as 100 pounds of fat—from people who have reduced high blood pressure—from folks who have no more bloating or shortness of breath.

Kruschen helps stomach, liver, bowels to function properly—increases physical attractiveness—all while losing unhealthy fat. Just take a half teaspoonful in a glass of hot water every morning before breakfast—get it at druggists everywhere.

NOW is the time to buy
an Electric Range and Water Heater

RIGHT NOW, thousands of women are planning to buy new ranges. Their present cook stoves are old, rusty, black, worn out, hard to keep clean and bothersome to operate. Surely you will admit that it isn't just sensible to spend hours each day struggling over a hot stove and afterwards scour blackened pots and pans. Even men agree that is a waste of time, energy and health.

Why not buy a new electric range and do away with this kitchen drudgery? Prices on the complete line of electric range models are the lowest in history. Come and see for yourself. Judge the value of these electric ranges as to quality of design, beauty and convenience features and we are sure you will agree it is time for a fair deal in the kitchen—time to get a new range.

Then for real convenience and economy in your kitchen, you should install a storage type electric water heater. You can afford both of the modern kitchen necessities. The price of both range and water heater today is no more than what you would expect to pay for a high quality range alone. Easy purchase terms can be arranged.
